EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gregory Turocy on 10/28/04

The application has been amended as follows:

Claims 1-11 and 26-30 have been canceled.

In claim 31, line 12, "POSS" has been changed to -- polyhedral oligomeric silsesquioxane --.

The following is an examiner's statement of reasons for allowance: There is no motivation to provide the now claimed porous carriers comprising a metal having the claimed pore size as the "binder" composed of titania, alumina, or silica which is used with the solid POSS materials vaporized in the Arora et al. process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy H. Meeks whose telephone number is (571) 272-1423. The examiner can normally be reached on Mon 6-6, T-Th 9-5.
